

## MLP CARE IN BRIEF

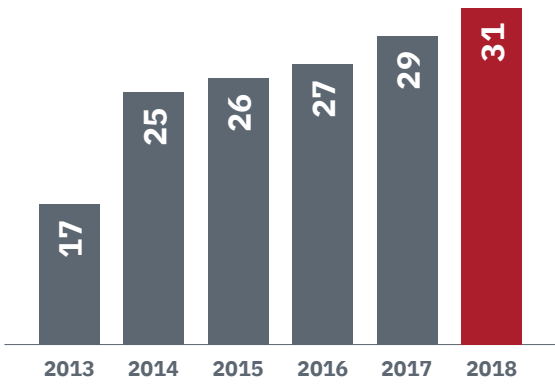

MLP Care is Turkey’s largest multidisciplinary hospital group.

Originally founded in 1993 as Medical Park, MLP Sağlık Hizmetleri A.Ş. (MLP Care) continues to move forward with Liv Hospital brand and VM Medical Park concept. As the largest healthcare group in the industry, MLP Care currently operates 31 hospitals in 17 cities across the country – from Bursa and Elazığ to Trabzon and Antalya. MLP Care leads the Turkish healthcare sector with its hospital facilities, affiliates and over 12 thousand permanent employees.

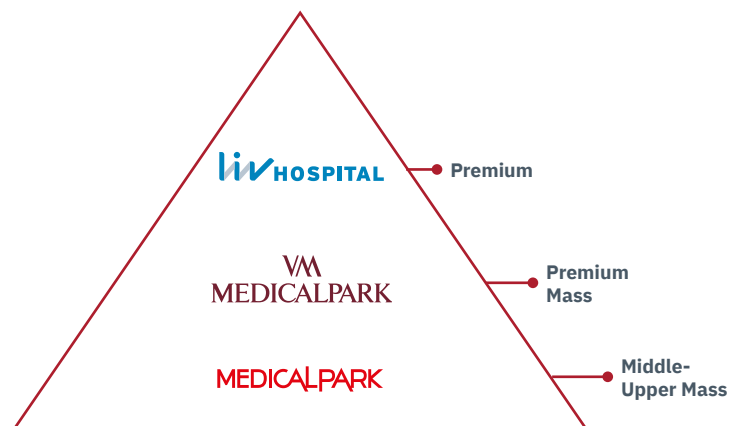

Boasting a powerful brand and a broad portfolio of services aimed at diversified customer segments, MLP Care is Turkey’s largest multidisciplinary hospital group. The Company’s highly centralized business model supports hospital field operations and central management. MLP Care has a nationwide network that spans the most populated cities in Turkey.

Maintaining strong and profitable growth, MLP Care’s business model is supported by a balanced payer profile. The Company’s senior management team consists of senior professionals who have extensive industry knowledge and experience gained at Turkey’s leading healthcare institutions and enterprises.

### THE NUMBER OF HOSPITALS

## 2 BRANDS AND 1 CONCEPT TARGETING DIFFERENT SEGMENTS

### BALANCED REVENUE SOURCES

MLP Care provides its services under 2 brands and 1 concept with 3 pricing strategies in Turkey. This approach enables the Company to target diverse segments in the population. These are respectively; Medical Park and Liv Hospital brands and VM Medical Park concept.
