

MLPCARE'S INVESTOR RELATIONS PRACTICES RANKED AS THE BEST IN ITS CATEGORY IN EMEA

MLP Care has been listed as one of the “Most Honourable Companies” by Institutional Investor, one of the worlds leading corporate investment magazine, with its investor relations practices. Having been one of the two companies awarded in the MedTech & Services category, MLP Care was also included in the “The Best CEOs”, “The Best CFOs”, “The Best IR Professionals” and “The Best IR Programme” lists. Thus, having received the highest score, MLP Care ranked at the top of the list of all sectors and shared the first place with 2 companies.

MLP Sağlık Hizmetleri (MLP Care), the leading hospital group of Turkey with Medical Park and Liv Hospital brands has been awarded by Institutional Investor for its successful corporate governance, financial management, and investor relations practices. As a result of Institutional Investor's “Emerging EMEA Executive Team 2019” research, which evaluated nearly 400 companies and executives from more than 20 sectors in the region covering Europe, Middle East and Africa (EMEA) with the participation of more than 12,000 investment professionals; MLP Care has been awarded the special designation of “Most Honoured Company” along with only 43 companies from the region.

MLP Care became the leader in the MedTech & Services category by sweeping all the titles. The Group became one of the two companies in the category that included in the “Best IR Programme” and ranked 1st. In addition, amongst all companies in the category, only MLP Care executives were awarded in the “Best CEO”, “Best CFO” and “Best IR Professional” lists. Therefore, the group received the highest score, and ranked at the top of the list of all sectors and shared the first place with 2 companies.

The Chairman and CEO of MLP Care, Dr. Muharrem Usta commented “Although we are still in the first year of our public offering, we are managing our IR practices with full precision and always aiming for the better. All our efforts are serving to an ideal of becoming one of the role model institutions in this field, not only in our country but also in the world, through reaching the highest level in our IR approaches. We are very pleased to see that our efforts are monitored by prestigious international platforms and that our success is awarded.
