MLP Care has signed a contract to acquire Medisis Hospital in Kecioren, Ankara on March 13, 2020. The take-over agreement consists of acquisition of the hospital licence and long term lease of hospital building and medical equipment.

The hospital is currently operational and no additional capital expenditure is foreseen. MLP Care intends to bring the hospital to its full potential by leveraging MLP Care's brand strength, operational know how, experienced physicians, and management staff.

The acquired hospital has a total closed area of 19 thousand m<sup>2</sup>. It is located, in Kecioren, one of the top 3 highly populated districts in Turkey with its population of nearly 1 million people. MLP Care expects the hospital to become one of the top performing hospitals within the group.

We had Medical Park Ankara and Liv Hospital Ankara Hospitals in Ankara. Following this acquisition the number of hospitals that we own in Ankara increased to three. It is predicted that the performance of this hospital will be similar to our Medical Park Ankara Hospital.
