Additional Explanations

At the meeting of our Company's Board of Directors dated May 25, 2022, a buyback program was initiated in order to support healthy price formation of MPARK shares in the equity market, to contribute to the formation of stable and appropriate share prices, to protect its shareholders and to offer them a more attractive long-term investment opportunity.

Within the framework of this decision, it was planned to purchase shares with a nominal value of TL 20,803,720.00-, which corresponds to 10% of the Company's issued capital. However, as of May 5, 2023, total nominal value of repurchased shares have become TL 10,881,309.00 which represents 5.2305% of the share capital and TL 649,960,411.00 portion has been used of the approved allocated funds as TL 650,000,000.00. At the Board of Directors' meeting held by our Company on May 8, 2023, in order to complete the repurchase of the shares, with a nominal value of TL 9,922,411.00-, which corresponds to 4.7695% of the issued capital, which has not been completed from the planned share buy-back program the following proposal was approved:

- 1) The existing share buy-back program shall be extended 1 more year (until May 25, 2024) pursuant to the Capital Markets Board's Communiqué on Share Buy-Back No. II-22.1 and the principle decision dated February 14, 2023 and numbered 9/177 by taking into account the repeal of the announcements dated July 21, 2016 and July 25, 2016,
- 2) The maximum amount of funds previously allocated for the share buy-back was TL 650,000,000.00- and shall be increased by TL 750,000,000.00- to TL 1,400,000,000.00-,
- 3) The share buy-back shall be added to the agenda of the first following general assembly meeting, and shall be presented to the information of the shareholders at the general assembly.
